

Hands of Hope Resource Center Community Support Campaign 2021-2022

Hello! We are reaching out to you because at some point in time, you chose to support Hands of Hope Resource Center. For that, we would like to say thank you!

Hands of Hope Resource Center provides a safe environment for all victims of crime and abuse respectful of their individual values and beliefs. Our victim centered services are available to those directly affected by crime and abuse as well as their loved ones. Advocates ensure each client is empowered to determine their own unique path that meets their individual needs. We provide information, referrals and support necessary to understand and navigate the law enforcement, medical, court and social services systems that affect victims of crime and abuse. Additional services to victims are offered, such as emergency services, ongoing mental health, and other client-defined needs as appropriate.

We ask that you consider supporting Hands of Hope Resource Center again through this annual appeal. Donations generated in this manner can be used for services that grants are unable to cover.

Your generosity is appreciated!

Sincerely,

Stephanie Ochr

Executive Director
